ABOUT MISTRAS GROUP

MISTRAS Group is a global, leading OneSource for Asset Protection Solutions® that specializes in non-destructive testing (NDT), inspection, maintenance, engineering, data management, lab services, and more.

We recognize the variety of skills and talents that military members exhibit and gladly welcomes transitioning military members to pursue a career with us, as we can supply the tools needed for making a seamless transition after completing military service.

We provide equal employment opportunities to all applicants without regard to race, religion, sex, national origin, age, disability, or genetics.

MISTRAS

CALLING ALL SERVICE MEMBERS

Veterans wanting to pursue an exciting career have the opportunity to choose a path in a line of work that fits their interests in the versatile asset protection industry. We offer exceptional career growth in a dynamic environment, with the potential to help keep people and the environment safe.

The organization, attention-to-detail, and drive that you've developed during your service are the characteristics we seek in our team members. For those interested in NDT, MISTRAS offers the possibility of efficiently obtaining useful and necessary training certifications.
